**REMARKS**

Claims 1-21 and 41-45 remain in the application. By this amendment claims 22-40 have been withdrawn as being directed to a non-elected invention.

**Election/Restriction Requirement**

The patent office submits that the present application contains claims directed to the following patentably distinct inventions:

- I. Claims 1-21 and 41-45 directed to a valve including a seal ring; and
- II. Claims 22-40 directed to just a seal ring.

In response, applicant elects Invention I for prosecution on the merits.

Applicant respectfully submits that claims 1-21 and 41-45 are in condition for allowance and respectfully request such allowance.

Claims 22-40 have been withdrawn at this time as being drawn to the non-elected Invention.

In view of the amendments and remarks submitted herein, applicant believes that all claims pending in the application are in condition for allowance and respectfully request such allowance. If a telephone conference will expedite prosecution of the application the Examiner is invited to telephone the undersigned.

Respectfully submitted,  
McDermott, Will & Emery
